Exeter Board 21 November 2016

Report to Exeter Board - recommendations of priorities for funding 2016/17.

Exeter Board Funding sub-group at the meeting on the 1 November 2016 discussed the following priorities for funding for this financial year.

Exeter Board funding priorities should in the main help to reduce (economic, social, environmental and health) inequalities in the city by promoting community activity that addresses one or more of these, preferably in co-operation or partnership with others in the city, in order to affect a change in the capacity across the whole city.

It is recommended that the inequalities supported will be:

1. **Economic:** Homelessness, Community Level Social Enterprise initiatives, Job creation, Skills and training for disadvantaged groups, Food Poverty
2. **Social:** Older People Isolation, Youth, greater integration for Black and Minority Ethnic groups, Hate Crime, Domestic Violence
3. **Environmental:** Community led initiatives connected to Green Spaces , and Disabled Access to Green Spaces
4. **Health:** Initiatives to promote greater Health and Wellbeing, Dementia initiatives, Mental Health issues, Alcohol and Drug use

It should be at the discretion of the Funding sub-group of Exeter Board to award funding outside of this criteria.

Each year there will be a review of what will be supported within the context of these inequalities.
