9 Notice of Motion by Councillors Bull and Dawson under Standing Order No. 6.

“That this Council calls on the Government to reverse its cruel cuts to the tariff which will harm a lot of residents in Exeter.

They are planning to cut the tariff for solar PV installations with a capacity of 4Kw or less by more than 50% from 43p/KwH to 21p/kWh. For multiple installations the rate falls to 16.8p/kWh.

Their rushed cuts to the Feed-in Tariff for solar PV goes too far, too fast, hits families trying to protect themselves from soaring energy bills, put thousands of jobs and businesses in the solar industry in jeopardy, and give lie to the Government’s promise to be the “greenest Government ever””

Date: 6 December 2011

Philip Bostock
Chief Executive
