Notices of Motion

11 Notice of Motion by Councillor Newby under Standing Order No. 6

“I ask that this Council through its Leader and Chief Executive write to the Fire Minister Brandon Lewis MP to request under the Fire Service Act 2004 that a member of the Council sit on the County Fire Authority so that a clear voice from this City is heard in how the Fire service is run and how the monies raised through Council Tax are used”.

12 Notice of Motion by Councillor Musgrave under Standing Order No 6

“Exeter City Council notes that the Government requires 44 Footprint Areas across the UK to prepare NHS Sustainability and Transformation Plans for their area which will:-

- i. Contribute to cuts of at least £2.5bn nationally this year, and £22bn within the next five years, to wipe out the NHS so-called financial deficit; and
- ii. achieve this by implementing ‘new models of care’ that are set out in NHS England’s *5-Year Forward View* (2014).

NHS bodies are severely limited in how they can oppose these cuts because they risk losing access to the £8bn NHS Transformation Fund.

However, local authorities are in an excellent position to make clear their complete opposition to the programme.

Exeter City Council therefore calls on Devon County Council to join together with other Councils and campaign groups to widely publicise the details of all proposed cuts and changes to local NHS services.

We further call on Devon County Council to refuse to sign up to any STP, until the local proposals have been subject to a full and proper consultation.”

A plan of seating in the Guildhall is attached as an annexe
