

**QUESTION FROM A MEMBER OF PUBLIC**

**UNDER STANDING ORDER NO.19**

**SCRUTINY COMMITTEE - COMMUNITY – 9 SEPTEMBER 2014**

**QUESTION FROM JOHN LLOYD**

Given that there has been considerable confusion about the costs and income of allotments, may we be given an assurance that before any new management agreement is reached, that accurate accounts are produced to show all heads of expenditure and all income, because without these, we will not be able to calculate an appropriate rent and or subsidies nor to calculate whether the charges across all leisure activities are equitably levied - as is required in law.

**Answer**

*Yes : Whatever may or may not have been the case in the past accurate accounts are now available.*
