KEEP PLACE LOOKING GOOD					
Northbrook Flood Alleviation Scheme	497,980				To provide match funding for the project proposed by the Environment Agency. Will only go ahead subject to match funding being available.
Cathedral Yard - Replace Street Lighting	20,000 #				To remove the existing lighting columns which are regularly damaged by delivery vehicles & improve the visual amenity of the area. The project will also reduce the cost of maintenance and install more energy efficient lighting.
Repair Canal Bank at M5	60,000 #				The Canal Bank at the M5 'overtopped' during storms in February 2014 and is now vulnerable to spring tides. Further deterioration is expected and the threshold above the water level is minimal in places. A breach would severely impact upon the local environment as salt water would enter the freshwater habitat.
Replace Car Park Ticket Machines	200,000 #				To replace the ticket machines in the Guildhall and Mary Arches car parks
Phoenix - Replace Air Conditioning Units	30,000 #				The project is to decommission the chiller units located at first floor level and replace with new units located at ground floor level, to provide additional cabling to enable this and a security cage to prevent vandalism.
