The Board is a Sub-Committee of Executive and will comply with the Executive Procedures Rules.

**The Programme Board's Terms of Reference:**

In relation to The Project, the Board shall:

- Agree and oversee the the Strategic direction of the Project including the design and build of the new Swimming Pool and Leisure Complex;
- To approve all future spend decisions in respect of the Projects' agreed budget as approved by Full Council from time to time.
- To approve the Project Programme throughout its various stages including approving the planning, design, operator/operation, commercial agreements and construction route.
- Evaluate the business case on an ongoing basis.
- To monitor the Project Risks, quality and the timing of the Programme;
- To own and take responsibility for the Programme Board Risks.
- To resolve any conflicts arising between the needs/requirements of the programme.
- Monitoring of the business plans, feasibility and option appraisal and progress.
- To approve the appointment of the Project Managers and agree the scope of the Project Manager's objectives and responsibilities.

- To ensure the programme's scope is aligned with the requirements of the Council and stakeholder groups.
- To ensure the efficient management of the Programme and Project costs.
- Deal with and address any issues which could have major implications for the programme.

Board Members will ensure that:-

- The right people are empowered to take decisions on behalf of the Board.
- Roles and responsibilities of Council Officers and the Project Managers are formally defined and understood.
- The client programme team work together effectively and efficiently;
- It liaises regularly with Legal Services in order to ensure compliance with legal obligations.
- The Client Leads (Build, Estates, Operator) carry responsibility for leading and managing the project teams and ensuring the Senior Responsible Officer is accountable to the Board for managing and supporting the Client Leads and ensuring their performance, quality, risk management, cost control, timescale and overall project control for their specific Client Lead areas.
