STRATA BUDGET MONITORING QUARTER III : 2016/17

The Director responsible for Finance presented the report setting out the financial progress of Strata during the first nine months of 2016/17, including a projected outturn assessment against the savings set out in the Business Plan.

The original business case for Strata had set out a savings profile over the initial 10 year period of the company. Approval to move staff to new Strata terms and conditions had meant that a revenue saving of only £26,964 was projected at the start of the financial year. The key variations were set out in the report which included additional income to finance Firmstep annual maintenance from Exeter City Council.

At the nine month stage, the Board was projecting a revenue saving for the Councils of about £70,000 for 2016/17 against the target of £254,052 in the original business case. The Councils had requested additional equipment and, at present, there were outstanding payments of £240,068 to be invoiced.

Strata Joint Scrutiny Committee noted the report.

8 LOCAL GOVERNMENT (ACCESS TO INFORMATION) ACT 1985 - EXCLUSION OF PRESS AND PUBLIC

RESOLVED that, under Section 100A (4) of the Local Government Act 1972, the press and public be excluded from the meeting during consideration of the following items on the grounds that they involved the likely disclosure of exempt information as defined in paragraphs 1, 2, 3 and 4 of Part I, Schedule 12A of the Act.

9 UPDATE ON STRATA IMPLEMENTATION PLAN CREATING A REVISED BUSINESS PLAN 2017/18

Councillor Jung declared an interest in that part of the report referring to DSG Retail.

On Behalf of the Strata Board, the Chief Operating Officer presented the report advising of the progress that Strata had made in the Implementation Plan, seeking approval for changes to the Business Plan and to gain approval for capital expenditure.

He presented the second review against the original Business Case, the report examining the vision, finances, technology, the convergence plan and the organisation and comparing the current situation with the May 2014 Business Case. His presentation detailed progress on the three key requirements of reducing cost, reducing risk and increasing capability for change. It was delivering strongly in the first two areas and beginning to make in-roads into the latter as a result of more systems and software becoming common, or converged, across the three Councils.

The savings profile had moved as a result of the restructure costs, an extended Global Desktop rollout, and changes to the Software Convergence Plans. The revised Global Desktop rollout had required contracts and resources to be kept on for an additional year with the intention of completing the roll out by April 2017 and this had increased costs.

Taking a number of factors into account, the latest convergence plan forecasted that the original savings total would be achieved over a slightly longer period between years 12 and 13. During the ten year plan period, revenue savings of £5.3m were now forecast. Should the councils decide to remain with original convergence assumptions then savings would revert to closer to those stated in the 2014 Business Plan.

The Director (Finance Lead) advised Members of the revaluation of the Pension fund liability and that Strata had been treated as a high risk although the three Councils had given an undertaking to cover the pension liability. It was the intention to challenge the recovery of the deficit over the three years as this had implications for the three Councils.

Members discussed the implications of the revaluation and supported the intention of approaching Devon County Council for a review of the recovery of deficit in the Pensions Fund.

The Chief Operating Officer advised Members that Strata Officers had been working with the software provider to address the bugs that had occurred in the system which had caused a delay in the roll out of the Global desk top.

Strata Joint Scrutiny Committee noted the report and requested approval by three constituent Councils of:-

- (1) the Revised Business Plan for Strata;
- (2) the adoption of the revised Strata business plan which included a revised savings profile; and
- (3) the following additions to their capital programs to allow the 2017/18 convergence plan and new contact centre software to be delivered.

| | % Contribution | Capital Funding |
|------------------------------|----------------|-----------------|
| East Devon District Council | 36.692% | £190,615 |
| Exeter City Council | 35.936% | £186,687 |
| Teignbridge District Council | 27.372% | £142,198 |
| Total | | £519,500 |

INTERNAL AUDIT OF GOVERNANCE ARRANGEMENTS

The Teignbridge Strata Director presented the internal audit report on governance and the Board's proposed actions produced by the Devon Audit Partnership.

Following an earlier report on "IT Systems" which had been judged "Good", a second report on Governance was also judged as "Good". It was noted that the draft Business Plan had highlighted some of the findings as items for review and should assist with the delivery of the company's business objectives and responsibilities. There were no significant matters arising from the audit and the recommendations made served to strengthen what were mainly reliable procedures.

“Good standard” levels of assurance had been given for each of the following areas:-

- Partnership Arrangements;
- Risk Management;
- Performance Management; and
- Governance Overview.

Strata Joint Scrutiny Committee noted the report.

(The meeting commenced at 3.00 pm and closed at 4.10 pm)

Chair

SCRUTINY WORK

The Chair invited feedback on the report of the Committee Chair on findings resulting from Members' enquires conducted with service users.

Strata Joint Scrutiny Committee agreed that the report be included on the agenda for the next Committee meeting on 16 March 2017.
