Section 16 of 17

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Our aim is to provide craft beers and fine wines in a pleasant and relaxed environment We are gearing the environment towards the more discerning customer and we will take steps to stop situations arising which would make that experience unpleasant or unsafe for our customers, our staff or our neighbours. There will be no adult entertainment.

All staff involved in the sale of alcohol will receive training and a record will be maintained on the premises of that training and made available to the Police or Licensing Authority on request.

The services of registered door supervisors will be employed when we are serving alcohol after midnight.

b) The prevention of crime and disorder

A digitally recorded CCTV system shall continually record the customer areas of the premises whilst the premises are open to the public and recordings shall be kept for a minimum of 28 days with time and date stamping. Data recordings shall be made immediately available to an authorised officer of Exeter City Council or a police officer, together with facilities for viewing upon request. Recorded images shall be of such a quality as to be able to identify the recorded person.

Table hooks will be used for customers to put handbags and coats safely to avoid theft. We operate an Under 21 Challenge policy.

Private functions must be pre-booked and diarised. This diary will be made available to the Police or Licensing Authority on request.

Signs will be displayed on the windows and at the tills advising customers to be aware of thieves, our Under 21 Challenge policy and to respect our neighbours by keeping the noise down when leaving the premises (especially at night).

The services of registered door supervisors will be employed when we are serving alcohol after midnight.

c) Public safety

All glasses used will be of a suitable safety standard (e.g. toughened).

Continued from previous page...

A CCTV system will be installed and maintained at the premises. The images will be of evidential standard and recordings will be kept for 31 days and made available to the Police and Licensing Authority upon reasonable request.

The services of registered door supervisors will be employed when we are serving alcohol after midnight.

d) The prevention of public nuisance

We will monitor noise levels and take action to minimise the noise if it appears to become an issue.

We only sell premium products and they are not cheap. We do not attract people who are out to get drunk. Our record in existing outlets is exemplary. There has not been a single incident of any kind anywhere.

Alcohol sold for consumption off the premises will be in sealed containers. No single bottles of beer shall be sold for takeaway off the premises.

The services of registered door supervisors will be employed when we are serving alcohol after midnight.

Signs will be displayed at entrances / exits requesting that customers leave quietly.

e) The protection of children from harm

We shall at all times operate a Challenge 21 policy to prevent any customers who attempt to purchase alcohol and who appear to the staff member to be under the age of 21 years from making such a purchase without having first provided identification. Only a valid British driver's licence showing a photograph of the person, a valid passport or a nationally approved proof of age card showing the 'Pass' hologram (or any other similarly nationally recognised scheme) are to be accepted as identification. A record will be kept of incidences on which supply has been refused on the basis of age.

Notices advertising the Challenge 21 policy shall be displayed in prominent positions on the premises

Children who appear to be under the age of 14 years will only be allowed on the premises after 6pm if accompanied by an adult.
