'Objection regarding planning for ( meat 59

Magdalen Road Exeter) regarding to alcohol license for 8 AM Who and whom would this attract. I've lived here for nearly 6 years and it's wouldn't be the residents of St Leonards this is not a criticism it's an observation of fact. This would bring in to the area antisocial behaviour noise unwanted later I'm sure the police of got enough to do without attracting people to come and drink this early in the morning after all there is a public house in Magdalen Road.and also to quote your planning officer. there is a large difference between Torquay,and magdalen road St Leonards, this is a mostly family businesses in A village Location and a large residential properties. been able to sell alcohol at this time of the morning 8am from a burger outlet I and many others do not see the connection between alcohol and selling burgers. quoting champagne breakfast. is this some what of I a worry in fact. I don't believe this is the type of client being targeted .

And regarding off sales.this I believe enables people to come in off the street at 8 am until early hours of the morning buying alcohol alone. as a point of fact we have a Public house and also we have an off-licence.

This loan will bring in antisocial behaviour danger to the public Damage to property property regarding conflicts letter to Steet being discarded. I strongly object to this planning application from meat 59 Magdalen Road'
