Dear Dave

Exeter City Council – Audit progress

We have now completed our planning and interim audit work in line with the timetable set out in our detailed External Audit Plan, dated February 2017. In that plan we indicated that we were planning to present an Interim Audit Report if required, to the Council's Audit and Governance Committee to report on the outcome of the planning and control evaluation phases of our audit. This was to ensure that, in line with good practice, any significant matters are reported to those charged with governance in a timely manner.

As our audit work to date has gone smoothly and we have not identified any significant issues, we no longer consider it necessary to report to the Audit and Governance Committee at this stage.

There are a small number of matters which we have discussed with you and your team. For completeness, we will include these in the ISA260 report which we will produce at the conclusion of the audit and present to the Audit Committee in September 2017.

In the absence of the need for an Interim Audit Report, please feel free to table this letter at the June meeting of your Audit and Governance Committee, to provide them with an update on the progress of our audit.

Yours sincerely

Darren Gilbert
