* One that affects finances over £1m or significantly affects two or more wards. If this is a key decision then the item must be on the appropriate forward plan of key decisions.

Is this an Executive or Council Function?

Council

1. What is the report about?

1.1 The report sets out the proposed Code of Corporate Governance to reflect the updated principles of Delivering Good Governance in Local Government (CIPFA/Solace 2016).

2. Recommendations:

It is recommended that:

2.1 Audit and Governance Committee supports and Council approves the Code of Corporate Governance for 2020/21;

3. Reasons for the recommendation:

3.1 The Council is required to prepare and publish an Annual Governance Statement by Regulation 4 of the Accounts and Audit (England) Regulations 2011. It reports on the Council's performance against the Code of Corporate Governance. It is best practice to review and update the Code annually.

4. What are the resource implications including non financial resources.

4.1 There are no resource implications contained within the report.

5. Section 151 Officer comments:

5.1 The production of the Code of Corporate Governance is considered best practice. However the requirement to produce an Annual Governance Statement, which reports on the Council's performance with reference to the Code is a statutory requirement.

6. What are the legal aspects?

- 6.1 The Annual Governance Statement, which reports on performance against the Code of Corporate Governance complies with Regulation 4 of the Accounts and Audit (England) Regulations 2015.

7. Monitoring Officer's comments:

This report raises no issues for the Monitoring Officer.

8. Report details:

- 8.1 The Code of Corporate Governance is required to be updated annually. The updated Code is attached at Appendix A.
- 8.2 The code has been updated to reflect the new principles set by CIPFA/SOLACE and the opportunity has been taken to present it more in line with the Annual Governance Statement that reports on the Council's performance. There are no significant changes to the code this year.

9. How does the decision contribute to the Council's Corporate Plan?

- 9.1 This is a statutory requirement and does not contribute directly to the Council's Corporate Plan.

10. What risks are there and how can they be reduced?

- 10.1 There are no direct risks associated with this report

EQUALITY ACT 2010 (THE ACT)

- 11.1 Under the Act's Public Sector Equalities Duty, decision makers are required to consider the need to:
- eliminate discrimination, harassment, victimisation and any other prohibited conduct;
 - advance equality by encouraging participation, removing disadvantage, taking account of disabilities and meeting people's needs; and
 - foster good relations between people by tackling prejudice and promoting understanding.
- 11.2 In order to comply with the general duty authorities must assess the impact on equality of decisions, policies and practices. These duties do not prevent the authority from reducing services where necessary, but they offer a way of developing proposals that consider the impacts on all members of the community.
- 11.3 In making decisions the authority must take into account the potential impact of that decision in relation to age, disability, race/ethnicity (includes Gypsies and Travellers), sex and gender, gender identity, religion and belief, sexual orientation, pregnant women and new and breastfeeding mothers, marriage and civil partnership status in coming to a decision.

- 11.4 In recommending this proposal no potential impact has been identified on people with protected characteristics as determined by the Act.

CARBON FOOTPRINT (ENVIRONMENTAL) IMPLICATIONS:

- 12.1 Important to complete this section in light of the Council declaring a Climate Emergency. Consider whether the recommendations you are making in the report will help, hinder or have no direct impact on delivering our carbon reduction target (carbon neutral by 2030).
- 12.2 You should think about things like:-
- Travel (and, if travel is unavoidable, whether lower carbon options will be pursued e.g. walking, public transport, electric car);
 - Infrastructure (e.g. LED lighting, energy efficient heating/hot water, solar panels, electric car charging points);
 - Waste (e.g. recycling, composting, reducing non-recyclable waste); and
 - Any other specific carbon reduction initiatives.
- 12.3 If there are no direct carbon/environmental implications for the decision please state: No direct carbon/environmental impacts arising from the recommendations.

13. Are there any other options?

- 13.1 Not applicable
