This report sets out the proposed revenue and capital estimates for 2015-16 in respect of Economy Services.

#### 2. Recommendations:

That Members of Scrutiny Committee – Economy support the estimates for 2015-16 and recommends their approval at the Special Meeting of the Council on 24 February 2015.

#### 3. Reasons for the recommendation:

Local authorities have a statutory duty to set an annual budget and to monitor the budget throughout the year.

## 7. Monitoring Officer Comments:

#### 8. Report Details:

#### **BUDGET FRAMEWORK FOR ECONOMY SERVICES**

## 8.1 ANNUAL BUDGET SETTING

Budgets are revisited each year to make amendments for assumptions made on interest rates, inflation and other changed circumstances.

#### 8.3 INFLATION

An overall allowance of £55,200 has been set aside for inflation within Economy Services. The inflationary increases allowed in the budgets are:

Pay award	1.0%
Pay – Increments	0.5%
Electricity	3.0%
Gas	2.8%
Oil	4.0%
Water	0.0%
Insurance	3.0%
Rates	2.8%
Fuel	5.0%
General Inflation	0.0%
Income (excluding Car Parks)	2.5%

#### 8.3 INTEREST RATES

In respect of interest rates, next year's budget reflects the likelihood that whilst the base rate may remain low, it is likely that the cost of borrowing will increase and the Council may begin to take out borrowing over a longer time-frame as a result.

#### 8.4 LOCAL GOVERNMENT SETTLEMENT

The Government announced the provisional Local Government Settlement on 18 December 2014. The Council is to receive £6.635 million in 2015/16, which is £11,000 lower than predicted within the Medium Term Financial Plan. At this stage there is no intention to revisit the budgets set and the shortfall can be taken from balances.

The resources available to the Council to finance its net revenue budget are set out below:

	2014/15 £'000	2015/16 £'000	2016/17 £'000	2017/18 £'000	2017/18 £'000
Government Grant	7,833	6,635	5,945	5,412	5,305
Council Tax	4,570	4,761	4,823	4,956	5,092
Business Rates in					
excess of baseline	1,070	1,124	1,115	1,135	1,172
Resources	13,641	12,520	11,883	11,503	11,569
Increase/(decrease)	(386)	(1,121)	(637)	(554)	(554)
Annual % change	(2.7%)	(8.2%)	(6.4%)	(3.3%)	0.6%

The Chancellor of the Exchequer has again provided funding for local authorities who decide to freeze council tax next year. If they do, councils, police and fire authorities will stand to receive an equivalent to raising their 2014/15 council tax by one per cent. In addition, the Government has maintained the local authority tax referendum threshold at two per cent. The budget strategy for next year assumes that council tax will increase by 1.99%, which along with the increase in the taxbase will raise an extra £191,000.

The proposed General Fund Capital Programme for the next three years has been established; however this is subject to a further review of the pre-approved schemes by portfolio holders and senior managers to ensure that the need for the scheme remains. The total of the current programme is as follows

	2015/16 £	2016/17 £	2017/18 £
New Bids	390,000	0	0
Pre-approved	4,422,580	4,888,330	9,109,330
Total	4,812,580	4,888,330	9,109,330

A list of the proposed new schemes for Scrutiny Committee Economy is attached at Appendix 2.

#### 8.5 KEY BUDGET CHANGES PROPOSED FOR 2015-16

The table below sets out the key changes between the budgets for the current financial year and the draft estimates for 2015-16. Please also refer to Appendix 1.

The annual budget for superannuation has reduced by £182,260 in the committee. Superannuation budgets have been adjusted to reflect the requirement for current employees only; previously it included the element of pension back funding in respect of past employees. Amendments have been made to applicable budgets within the individual management units in the committee.

Strata Service Solutions now provide Information Technology services to the council. The effect of this on the annual budgets is that all software licence and telephone budgets have been removed from departmental supplies and services budgets. An equivalent recharge from Strata for software licences, telephones and a general IT recharge has been included in the Support Service budget for departments.

## 8.6 FEES AND CHARGES

The proposed Fees and Charges for Economy Services in 2015-16 are included at Appendix 3.

# 9. How does the decision contribute to the Council's Corporate Plan?

Economy Service budgets contribute to 3 key purposes, as set out in the Corporate Plan; keep me/my environment safe and healthy, keep place looking good, help me find somewhere to live

## 10. What risks are there and how can they be reduced?

The key risks revolve around ensuring that the Council has sufficient funds to both meet the financial plans set out in the report and to protect itself against any unexpected expenditure that occurs. The risk is mitigated by ensuring that there are sufficient reserves held to offset unexpected expenditure needs. Regular monitoring is undertaken and reported to both the Strategic Management Team and Members.

11. What is the impact of the decision on equality and diversity; health and wellbeing; safeguarding children, young people and vulnerable adults, community safety and the environment?

No impact

Further deterioration is expected and the threshold above the water level is minimal in places. A breach would severely impact upon the local environment as salt water would enter the freshwater habitat.
