REPORT TO LICENSING SUB COMMITTEE

Date of Hearing: 28 August 2025

Report of: Environmental Health and Community Safety Manager

Type of Application: RENEWAL of a licence relating to a Hackney Carriage vehicle over 10 years old.

Legislation: Local Government (Miscellaneous Provisions) Act 1976

Town Police Clauses Act 1847

Applicant: [REDACTED]

1. What is the report about?

- 1.1 An application attached at Appendix A has been received from the Applicant, a licensed taxi driver seeking permission for the renewal of a hackney carriage licence for a vehicle which will be 10 years old on 30 July 2025. This is a matter that cannot be dealt with under delegated powers.

2. Background:

- 2.1 The vehicle that is being presented for licensing as a hackney carriage vehicle is a 4 passenger, Toyota Yaris, registration number [REDACTED], with a date of first registration of 30 June 2015. A copy of the vehicle registration document is attached as Appendix B.
- 2.2 The vehicle is a hybrid Euro 6 standard and is Ultra Low Emission Zone (ULEZ) compliant emitting 75g/km of CO₂.

3. Report Details:

- 3.1 The vehicle has a current MOT certificate dated 18 June 2025 and expires 02.07.2026. The mileage recorded at the MOT inspection was 110,884 miles. The MOT certificate and history are attached as Appendix C. The MOT history shows that the vehicle has failed the MOT test on 6 occasions since 2018. In addition to the MOT certificate there is an independent mechanical inspection report, which has been submitted, this is dated 18 June 2026 and is attached as Appendix D. Photos for the vehicle are attached at Appendix E. Upon inspection by a Council Officer the vehicle was found to be in reasonable condition for the age. The vehicle was first plated by Exeter City Council on 16 June 2018 and has been licensed since that date.

3.2 The Licensing Sub-Committee must have regard to the Council's the Practices and Procedures for the control of Hackney Carriage and Private Hire Vehicles, Drivers and Operators and the Code of Conduct for Licensed Drivers ('Taxi Policy')

3.3 Vehicles presented for renewal that are more than 8 years old will be referred to the licensing sub-committee for determination.

Section 47 of the Local Government (Miscellaneous Provisions) Act 1976 ('the Act') states that a district council may attach such conditions to a licence as it considers reasonably necessary. The conditions that may apply are set out in the Taxi Policy.

4.2 Any person aggrieved by a refusal of the Licensing Sub-Committee to grant a vehicle licence under Section 48 of the Act may appeal to the Magistrates Court within 21 days of receiving written notice of the refusal.

Vehicle documents and Inspection environment notes.

Engineer Indicate with "X" as applicable.

Registration Document (V5):

- No registration document was seen with the vehicle and you are advised to satisfy yourself that the vehicle identification number and engine number (where quoted) correspond to those shown on this report. Warning: **DO NOT BUY ANY VEHICLE WITHOUT A V5.**
- The V5/Registration Document shows _____ previous keeper(s), the last change of Keeper on _____

Security:

- The Master Key was not available. Please ensure this is supplied if the vehicle is purchased.
- The engineer recommends that relevant spare and service keys be obtained prior to purchase.
- Obtain hand books and radio codes for vehicle prior to purchase as these were not seen in the vehicle.

M O T:

- As only a small amount of time is left on the MOT Certificate (less than 3 months) the engineer recommends a full year's MOT be obtained prior to purchase.
- A 12 Month MOT Certificate has been seen with the vehicle.

Servicing:

- The service history seen, indicated that the last recorded service was carried out at _____ miles. No immediate servicing is necessary. Next service is due as per manufacturer's recommendations or as per the Vehicles Service indicator.
- The service history seen, indicated that the last recorded service was carried out on _____ miles. Therefore the engineer would suggest a full service and brake inspection to the manufacturer recommendations prior to purchase, which may reveal further defects not apparent at this examination.
- No service documentation seen with this vehicle and therefore the engineer would recommend a full service and brake inspection to the manufacturer's recommendations prior to purchase, which may reveal further defects not apparent at this examination.

Inspection conditions notes:

- No vehicle hoist/ramp was available. A large trolley jack and stands were used in order to carry out underside checks. This limits the view of the underside. Some areas could not be fully seen. There *may* be further defects, which may be visible given clear access and view.
- The body/paintwork was wet/dirty/dusty this severely restricts inspection of the paintwork. Please note that there may be other defects present, which were not visible due to the obscured paintwork, but which may become visible once dry and clean.

Report No: 10410

Engineers Comments

The vehicle is considered overall to be a fair and reasonable example of the type, being in a generally reasonable condition and generally considered to be consistent with the type for the age and indicated recorded mileage in most areas.

The items listed as "could not be checked" (---) normally indicate items were obscured by covers/shields or other equipment.

The Water pump – Engine drive belt/chain - these items could not been fully examined, as covers, trims and other equipment obscure them.

The cooling system was pressure tested to 0.7 bars, no pressure loss was noted on the system or pressure cap. The antifreeze concentration was acceptable, but has deteriorated from its original strength and at the next routine service may need to be refreshed/replaced. It is advised that the coolant strength be checked again at the next routine service. Antifreeze only has a 2/3-year life and requires its strength adjusting after this time or replacing as per manufacturer's specifications.

The vehicle is fitted with vented front brake disc and pads, supported at the rear by a single arrangement. Although the visible brakes only show some signs of general serviceable wear, some deterioration is noted, which will need attention in the near future. It is strongly advised to remove all road wheels and examine the inner brake components, which are obscured on this vehicle prior to purchase, replacing any worn or badly corroded parts. It is probable that the front brakes at least, will need to be replaced at the next routine service.

The steering & suspension has been assessed to MOT standard. This allows for a degree of wear and deterioration of components without rendering them unserviceable. The extent of wear is not considered excessive at this juncture and unlikely to attract MOT failure.

The road test distance and or top speed was limited due to the general area/inspection location, and/or traffic levels and/or adverse weather conditions and/or lack of fuel when the vehicle was tested and driven. Comment cannot be made in these instances in relation to possible "high speed" or "sustained speed," related driving defects, which may become apparent at a later stage after any purchase due to these limiting conditions.

REPORT TO LICENSING SUB-COMMITTEE

Date of Hearing:	28TH August 2025
Report of:	Service Lead - Head of Environment and Waste
Decision Required:	To determine if the Licensed Driver is fit and proper to hold a taxi drivers licence in accordance with the relevant Legislation.
Legislation:	Local Government (Miscellaneous Provisions) Act 1976 Town Police Clauses Act 1847
Licensed Driver:	[REDACTED]

1. WHAT IS THE REPORT ABOUT?

- 1.1 To determine whether the Licensed Driver is a fit and proper person to hold a taxi drivers' licence.

2. BACKGROUND

- 2.1 The Licensed Driver [REDACTED] who has held a licence with the Council since 6th December 2016 contacted the Licensing Authority on 5th May 2025 to report a conviction he had received after being arrested on 20th October 2024.
- 2.2 The Licensing Team have confirmation that on 5th of February 2025 [REDACTED] was convicted of Battery under section 39 of the Criminal Justice Act 1988.
- 2.3 Documents relating to the offence have been received from the Licensed Driver and are attached as appendices A-E.

3. WHAT ARE THE LEGAL ASPECTS?

- 3.1 Under Section 61 of the Local Government (Miscellaneous Provisions) Act 1976 ('the Act') a district council may suspend or revoke or (on application therefore under section 46 of the Town Police Clauses Act 1847 ('Act of 1847') or section 51 of this Act, as the case may be) refuse to renew the licence of a driver of a hackney carriage or private hire vehicle on any of the following grounds:

(a) that he has since the grant of the licence—

(i) been convicted of an offence involving dishonesty, indecency or violence; or

(ii) been convicted of an offence under or has failed to comply with the provisions of the Act of 1847 or of this Part of this Act.

- (a) that he has since the grant of the licence been convicted of an immigration offence or required to pay an immigration penalty; or
- (b) any other reasonable cause.

- 3.2 The evidential burden is not on the Licensed Driver to prove he is a fit and proper person but for the Licensing Sub-Committee to be satisfied on the balance of probabilities that the Licensed Driver is no longer a fit and proper person.
- 3.3 The Licensing Sub-Committee may suspend or revoke a taxi driver's licence where they are not satisfied that the licence holder is a fit and proper person to drive a taxi.
- 3.4 If the Licensed Driver is suspended the suspension period is determined by the Licensing Sub-Committee as they determine appropriate based on the circumstances of the case. The Licensing Sub-Committee may require the Licensed Driver to complete specified training.
- 3.5 If the Licensed Driver's licence is suspended or revoked the suspension or revocation shall commence at the end of the period of 21 days beginning with the day in which the Licensed Driver has received written notice of the Licensing Sub-Committee decision, unless there is an immediate need to protect the public in which case the suspension or revocation will have immediate effect.
- 3.6 The Licensing Sub-Committee must have regard to the Statutory taxi and private hire standards updated on 25th November 2022 and issued by the Secretary of State for Transport under section 177(1) of the Policing and Crime Act 2017('Statutory Guidance')
- 3.7 The Statutory Guidance provides information on the fit and proper test at Paragraph 5.4 states:

'Licensing authorities have a duty to ensure that any person to whom they grant a taxi or private hire vehicle driver's licence is a fit and proper person to be a licensee. It may be helpful when considering whether an applicant or licensee is fit and proper to pose oneself the following question:

Without any prejudice, and based on the information before you, would you allow a person for whom you care, regardless of their condition, to travel alone in a vehicle driven by this person at any time of day or night?

If, on the balance of probabilities, the answer to the question is no, the individual should not hold a licence.'

- 3.8 The Licensing Sub-Committee may impose penalty points in accordance with the Council's Taxi Policy which is explained further below.

4. WHAT ARE THE POLICY ASPECTS?

- 4.1 The Licensing Sub-Committee must have regard to the Council's the Practices and Procedures for the control of Hackney Carriage and Private Hire Vehicles, Drivers and Operators and the Code of Conduct for Licensed Drivers ('Taxi Policy').
- 4.2 The Licensing Sub-Committee must satisfy itself that all Licensed Drivers are Fit and Proper persons to hold a Drivers Licence. In so doing, it will have regard to all relevant factors such as convictions, cautions, warnings and reprimands including those that are "spent Convictions" under the Rehabilitation of Offenders Act 1974.
- 4.3 The Convictions are categorised by the Taxi Policy in Appendix G2 as a serious offence, where refusal or revocation will be recommended within 5 years of the date of conviction or expiry of any custodial sentence imposed whichever is the later date, in accordance with Appendix E para-E.6.
- 4.4 The conviction is dated 5th February 2025. The relevant date for policy purposes is 5th February 2030 (five years from date of conviction). The Taxi Policy does state that there may be occasions where it is appropriate to depart from these guidelines when considering whether a driver is fit and proper. For example, where the offence is a 'one-off' and there are mitigating circumstances or alternatively where there are many or continuous offences which may show a pattern of offending and unfitness.
- 4.4 In July 2023, the Council adopted a points based disciplinary system which officers and the Licensing Sub-Committee may apply to licensed drivers. A copy is attached as Appendix F to this report.

Relevant to this report, the following can be considered.

Details of Misconduct	Points applicable
46 - Unsatisfactory behaviour or conduct of a driver	1-12
47 - Failure to notify the Council in writing, of any motoring or criminal convictions within 21 days or conviction or cautions during period of current licence	6

- 4.5 When issued, the penalty points will remain 'live' for a rolling period of 36 months from the date they were imposed.
- 4.6 If 12 penalty points are imposed on an individual licence in any one 36-month rolling period, the driver will appear in front of the Licensing Sub-Committee where appropriate action will be taken in accordance with the Taxi Policy.

5. OPTIONS

- 5.1 The Licensing Authority would make the following recommendations:

The Licensing Sub-Committee may find either:

- i) That the Licensed Driver is a fit and proper person to hold a taxi driver's licence and the licence should remain in place; or
- ii) That the Licensed Driver is a fit and proper person to hold a taxi drivers licence and the licence should remain in place but a written warning shall be issued by the Chair of the Licensing Sub Committee with regard to future conduct; or
- iii) That the Licensed Driver is a fit and proper person to hold a taxi drivers licence and the licence should remain in place but a written warning with regard to future conduct together with the issue of penalty points from the Chair of the Licensing-Sub-Committee; or
- iv) That the Licensed Driver is not a fit and proper person to hold a taxi driver's licence but that the licence should remain in place subject to a period of suspension so as to deter any future misconduct. In addition, penalty points may be issued by the Chair of the Licensing Sub Committee; or
- v) That the Licensed Driver is not a fit and proper person to hold a taxi driver's licence but that the licence should remain in place subject to a period of suspension until such time as the Licensed Driver has completed appropriate training. In addition, penalty points may be issued by the Chair of the Licensing Sub Committee; or
- vi) That the Licensed Driver is not a fit and proper person to hold a taxi driver's licence and should have his licence revoked.

Where the Licensing Sub-Committee determine that the Licensed Driver is not a fit and proper person to hold a driver's licence and there is a need to provide immediate protection to the public the licence will be suspended or revoked with immediate effect.

6. RECOMMENDED

6.1 It is recommended that the Licensing Sub-Committee determine whether or not the Licensed Driver is a fit and proper person to hold a taxi driver's licence, having regard to the Licensed Drivers' representations and all other relevant information submitted together with the Taxi Policy.

REPORT TO LICENSING SUB-COMMITTEE

Date of Hearing:	28.08.2025
Report of:	Nigel Marston
Decision Required:	To determine if the Applicant is fit and proper to hold a taxi drivers licence in accordance with the relevant Legislation.
Legislation:	Local Government (Miscellaneous Provisions) Act 1976 Town Police Clauses Act 1847
Applicant:	[REDACTED]

1. WHAT IS THE REPORT ABOUT?

- 1.1 To determine whether the Applicant is a fit and proper person to hold a taxi drivers licence.

2. BACKGROUND

- 2.1 The Applicant submitted an application attached at Appendix A for the renewal of a combined Hackney Carriage/Private Hire drivers' licence on the 10 June 2025.
- 2.2 The Applicant has been a combined driver licence holder with Exeter City Council licensed as HD023 since 11 December 2013.
- 2.3 In response to the question do you have any convictions, cautions or reprimands? the Applicant has answered No.
- 2.4 The renewal application form, completed by the Applicant, sets out the following statutory declaration:

INFORMATION DISCLOSED ON THIS FORM MAY BE REVEALED TO OTHER AGENCIES AND BODIES FOR THE SOLE PURPOSE OF PREVENTING OR DETECTING CRIMES

Your attention is drawn to the following:

Your application for the renewal of a Hackney Carriage or Private Hire Drivers Licence may be subject to a Disclosure and Barring Service (DBS) check. You are advised that applications for renewal of licences may not be successful where convictions or cautions are declared or subsequently disclosed.

Where convictions or cautions arising during the life of your licence are declared, the Council's Licensing Committee will consider any written representations made by you indicating why you should be considered a fit and proper person to hold a licence and why your licence should be allowed to be renewed. In cases where convictions or cautions are revealed during the period of the licence, the licence may be suspended or revoked.

I understand that omissions or incorrect statements will render the Licence, if granted, liable to suspension or revocation and I may be liable to prosecution in a criminal court. I have been given a copy of the conditions appertaining to Hackney Carriage and Private Hire Drivers Licences. I have read or had them explained to me and understand them.

I hereby certify that to the best of my knowledge and belief, the answers I have given are true. I confirm that this signature authorises Exeter City Council to share my data with appropriate authorities and undertake appropriate checks for the period of the licence.

- 2.5 Officers attempted to undertake a DBS update check. This was not possible as the Applicant had failed to maintain his subscription to the update service despite this being a requirement of Exeter City Council.
- 2.6 The Applicant was therefore required to complete a new DBS check.
- 2.7 On 17.07.2025 the applicant was issued with a new Disclosure and Barring Service Certificate number 001932626585 which listed a Caution on 14 June 2010 by Devon and Cornwall Police for the Offence of Affray on 20 May 2010 under Section 3 of the Public Order Act 1986. A copy of the DBS is attached at Appendix B
- 2.8 At no point did the Applicant declare his previous conviction to the licensing case officer.
- 2.9 The Applicants previous application was checked, and it is noted on the Uniform case record that he did not declare the caution and was given a warning by the case officer.
- 2.10 The Applicant confirmed that he understood that he must declare the caution on future applications. A copy of the notes made on the Applicants record is attached as Appendix C.
- 2.11 Four separate complaints supported by photographic evidence were received in relation to the Applicant parking his licenced Hackney Carriage vehicle in a restricted area near a school. The dates of the offences were as follows: 31 January 2025, 5 February 2025, 6 February 2025 and 13 February 2025
- 2.12 On 03.03.2025 the applicant was sent a letter informing him that he had been issued with 12 penalty points for non-compliance with traffic regulations and that these points remain live on his record with Exeter City Council for a period of 3 years and that if he gained any further points within this period then he would have to appear before a licensing sub-committee. He was provided with the email address for the Licensing Team if he wished to appeal the issue of the points and a time frame of ten working days and no appeal was made. A copy of the points letter issued to the Applicant is attached as Appendix D.

3. WHAT ARE THE LEGAL ASPECTS?

- 3.1 Under Section 61 of the Local Government (Miscellaneous Provisions) Act 1976 ('the Act') a district council may suspend or revoke or (on application therefore under section 46 of the Town Police Clauses Act 1847 ('Act of 1847') or section 51 of this Act, as the case may be) refuse to renew the licence of a driver of a hackney carriage or private hire vehicle on any of the following grounds:

(a) that he has since the grant of the licence—

- (i) been convicted of an offence involving dishonesty, indecency or violence; or
- (ii) been convicted of an offence under or has failed to comply with the provisions of the Act of 1847 or of this Part of this Act;
- (a) that he has since the grant of the licence been convicted of an immigration offence or required to pay an immigration penalty; or
- (b) any other reasonable cause.

- 3.2 The evidential burden is not on the Applicant to prove he is a fit and proper person but for the Licensing Sub-Committee to be satisfied on the balance of probabilities that the Applicant is no longer a fit and proper person.
- 3.3 The Licensing Sub-Committee must have regard to the Statutory taxi and private hire standards updated on 25th November 2022 and issued by the Secretary of State for Transport under section 177(1) of the Policing and Crime Act 2017('Statutory Guidance').
- 3.4 The Statutory Guidance provides information on the fit and proper test at Paragraph 5.4 states:

'Licensing authorities have a duty to ensure that any person to whom they grant a taxi or private hire vehicle driver's licence is a fit and proper person to be a licensee. It may be helpful when considering whether an applicant or licensee is fit and proper to pose oneself the following question:

Without any prejudice, and based on the information before you, would you allow a person for whom you care, regardless of their condition, to travel alone in a vehicle driven by this person at any time of day or night?

If, on the balance of probabilities, the answer to the question is no, the individual should not hold a licence.'

4. WHAT ARE THE POLICY ASPECTS?

- 4.1 The Licensing Sub-Committee must have regard to the Council's the Practices and Procedures for the control of Hackney Carriage and Private Hire Vehicles, Drivers and Operators and the Code of Conduct for Licensed Drivers ('Taxi Policy').
- 4.2 The Licensing Sub-Committee must satisfy itself that all Licensed Drivers are Fit and Proper persons to hold a Drivers Licence. In so doing, it will have regard to all relevant factors such as convictions, cautions, warnings and reprimands including those that are "spent Convictions" under the Rehabilitation of Offenders Act 1974.
- 4.3 At E 6.4 Drivers maintain close contact with the public and for this reason where a driver has a conviction for offences involving violence the recommendation to the Licensing Sub-Committee will be to refuse the application for or revoke a licence within 5 years from the date of conviction, or the end of any custodial sentence imposed or where there are two or more offences in any period involving violence.

- 4.4 Dishonesty and deception are also offences that would merit a refusal within 5 years of a conviction. Despite being made aware of the need to declare convictions, cautions or reprimands in 2022, the Applicant has failed to declare the caution and has made a false statutory declaration on the application form.

5. OPTIONS

- 5.1 The Licensing Authority would make the following recommendations:

The Licensing Sub-Committee may find either:

- i) That the Applicant is a fit and proper person to hold a taxi driver's licence and the licence should be renewed; or
- ii) That the Applicant is a fit and proper person to hold a taxi drivers licence and the licence should be renewed but a written warning shall be issued by the Chair of the Licensing Sub Committee with regard to future conduct; or
- iii) That the Applicant is not a fit and proper person to hold a taxi driver's licence and the licence should not be renewed.

6. RECOMMENDED

- 6.1 It is recommended that the Licensing Sub-Committee determine whether or not the Applicant is a fit and proper person to hold a taxi driver's licence, having regard to the Applicants' representations and all other relevant information submitted together with the Taxi Policy.

Spoke with [REDACTED] regarding his false statement on his application form. ADdvised him will receive a warning letter and that he must always say yes to the question regarding convictions etc. He said he understood and would keep the letter as a reference. he also said this has never been raised with previous renewals and that a receptionist told him he didnt have to say yes as it was so long ago. I explained he should always contact licensing to ask about licensing issues.

Dear 

Penalty Points for Non-Compliance with Traffic Regulations

On the 31st January, 5th February, 6th February and 13th February your vehicle was observed parked on a no waiting and no loading restricted area outside of Ladysmith School.

It is not acceptable as a professional driver to park in contravention of road traffic signage. I am therefore awarding you penalty points under the agreed Exeter City Council Penalty Points Scheme.

For each offence you are awarded 3 points. This gives you a total of 12 points.

These points will remain live on your Exeter City Council record for 3 years. Should you gain any further points within this 3-year period then you will be required to appear before a licensing sub-committee where appropriate action will be taken according to the ECC Penalty Points Scheme.

If you wish to appeal this imposition, you may do so by writing to the Licensing Department within ten working days of receipt of this letter. You can write to licensing.team@exeter.gov.uk. The appeal will be determined by the Environmental Health and Community Safety Manager.

Yours faithfully

Nigel J Marston
