

EXETER CITY COUNCIL

SCRUTINY COMMITTEE - RESOURCES 21 NOVEMBER 2012

BUDGET MONITORING REPORT TO 30 SEPTEMBER 2012

1. PURPOSE OF REPORT

- 1.1 This report advises Members of any material differences by management unit to the revised revenue budget, see Appendix 1.
- 1.2 Previous capital budget monitoring updates in respect of Resources Committee were shown in the Council's overall Capital Programme, but will now be shown in Appendix 2 attached to this report.

2. REVENUE BUDGET MONITORING TO 30 SEPTEMBER 2012

- 2.1 The current forecast suggests that net expenditure for this committee will decrease from the revised budget by a total of £247,450 before transfers to and from reserves, which represents a variation of 1.51% from the revised budget. This includes supplementary budgets of £12,000. Capital charges have been deducted from this to provide the total budget for management accounting purposes.
- 2.2 Provision for a pay increase of 2.5% has been included in the 2012/13 budgets. The Council proposed a payment of £250 to staff earning a full time equivalent salary of under £21,000 per annum; the proposal was approved at the Executive on 19 June 2012. This has resulted in a saving on salary budgets; these savings have been included in the variance for each individual management unit.
- 2.3 The main variations by management unit are detailed below:

2012-13 REVISED BUDGET	£ 16,372,560
-------------------------------	-------------------------

86A1 REVENUE COLLECTION / BENEFITS	(65,200)
---	-----------------

As a result of the change in subsidy in respect of Non HRA Rent Allowances, it is estimated that there will be a small increase in subsidy for 2012/13 resulting in an additional saving in cost of £65,200.

86A2 ELECTIONS & ELECTORAL REGISTRATION	(2,970)
--	----------------

There is expected to be a small underspend on the cost of operating City Council elections that has been partially offset by an increase in costs for maintaining the electoral register on a rolling basis.

86A3	CORPORATE	(39,750)
	<p>A revised scale of Audit fees have been agreed that will result in a saving this year.</p> <p>Some of the Council's core bank charges have now been charged direct to services rather than corporate.</p>	
86A4	CIVIC CEREMONIALS	68,700
	<p>The retail unit attached to Guildhall was vacant until August 2012 with a subsequent loss of rental income and the payment of void rates; the unit has now been successfully let.</p>	
86A5	DEMOCRATIC REPRESENTATION	(15,260)
	<p>There will be an underspend on Members' Expenses by the end of the financial year due to no inflationary increase in allowances and one member not claiming any allowances at all.</p>	
86A7	UNAPPORTIONABLE OVERHEADS	55,440
	<p>The approved cost of pension fund contributions only following redundancies has been shown in this management unit, with individual services through out the Council being recharged the actual cost of redundancies to reflect where the subsequent savings will be made.</p>	
86A8	CHIEF EXECUTIVE SERVICES	(133,190)
	<p>The reduced pay award has resulted in a saving on pay budgets, see 2.2 above.</p> <p>The posts of Assistant Chief Executive and Communications Manager have been removed and officer's time reallocated to the cost centres where work is being undertaken from April 2012.</p>	
86A9	STRATEGIC/COMMUNITY PARTNERSHIPS	5,060
	<p>There has been a reallocation of staff time since April 2012 to reflect work being undertaken supporting Community Partnerships.</p>	
86B1	TREASURY SERVICES	(16,010)
	<p>The reduced pay award has resulted in a saving on pay budgets, see 2.2 above, with additional savings expected for maternity leave.</p>	
86B2	INTERNAL AUDIT	(63,440)
	<p>The post of Head of Internal Audit was deleted from the establishment from April 2012, resulting in pay savings.</p>	

86B3 HUMAN RESOURCES (15,890)

There is expected to be an underspend in the central training budget as a consequence of reorganisations throughout the Council.

The Human Resources section has been reviewed with the resulting redundancy costs; savings will be shown in next year's budgets.

86B4 LEGAL SERVICES (1,230)

Although there is expected to be an overspend in pay to cover for long-term staff sick leave, it is likely to be offset by an increase in fee income.

86B5 CORPORATE CUSTOMER SERVICES 186,500

The majority of staff from the administration teams of Economy and Community and Environment directorates were transferred to the new Corporate Support Unit with effect from 1 April 2012, to combine with what was the General Office administration team. The budgets for these now disbanded teams are in their old cost centres in the other two committees but all costs have now been recorded here in Resources. The duties of the team have now been defined and this has resulted in some redundancies, but there will be savings that will materialise next year.

At the end of the financial year, the users of this new multi-task service will be recharged with the actual cost of the service. The reorganisation within the Council has meant that offices have been moved which has created surplus accommodation suitable for renting out to external clients and therefore earn income and share costs. Part of this accommodation has already been let to Devon County Council.

In April 2012 there was a substantial increase in the cost of postage that was not known about when the budget was set.

The reduced pay award has resulted in savings in the Customer Service Centre (see 2.2 above) with further savings to be made on salary costs due to vacancies and reduced cover for maternity leave.

86B6 IT SERVICES (98,650)

The reduced pay award has resulted in a saving in this unit (see 2.2 above). Further savings will be made on salary costs due to the deletion of the Head of IT Services post and a member of staff reducing hours from April 2012.

86B7 DIRECTOR CORPORATE SERVICES OFFICE (111,560)

The post of Director Corporate Services was deleted from the establishment from April 2012, resulting in pay savings.

2012/13 EXPECTED FINAL OUTTURN 16,125,110

LESS INTERNAL RECHARGES (10,951,760)

TRANSFER FROM RESERVE (95,280)

EXPECTED NET EXPENDITURE 5.078,070

- **Authentication Module (Budget £64,000)**
