QUESTIONS FROM THE PUBLIC UNDER STANDING ORDER NO. 19

A member of the public, Mr Cleasby submitted the following question, related to Minute No. 89:-

- In relation to para 10.1 of the report at item 8, will the Council please explain exactly what is envisaged the “senior leader” members of the Liveable Exeter Place Board will get out of the meetings so that they find it worthwhile to continue attending?

The Council Leader responded:-

The Liveable Exeter Place Board members have previously endorsed the Exeter 2040 Vision and are generously contributing their time to support the realisation of our Vision.

The Place Board provides a forum in which to discuss challenges in the realisation of the Vision and what the Place Board members can do, individually and collectively, to overcome these challenges and to realise the 2040 Vision. The Place Board also gives the leaders the opportunity to raise other issues which they believe require the support of others to overcome, to the benefit of the City.

Any matters raised by the Board which require any Council decisions will always be brought through the Council's existing decision making and governance processes in order to ensure transparency.

Mr Cleasby asked a supplementary question:-

Do you agree that the participants may well seek to get inside information or competitive advantage on emerging development plans and that the Place Board's decisions and conclusions will have to be accepted by Exeter City Council or they will see no point in continuing?

The Council Leader responded:-

The purpose of the Board is not to enable anyone to seek advantage and it is unfortunate if it is not fully appreciated what the Board is designed to do.

87 **FOOD LAW AND HEALTH AND SAFETY ENFORCEMENT SERVICE PLAN 2020
- 2021**

The Executive received the report, which sought approval to adopt the statutory Food Law and Health and Safety Service Enforcement Plan 2020/21, which sets out the Council's regulatory function in respect of food safety and health and safety and the priorities for the forthcoming year.

Particular reference was made to the need for the Council to demonstrate how it would fulfil its regulatory obligations in respect of its food safety service and to make adequate arrangements for enforcement of health and safety.

RECOMMENDED that Council approve: -

- (1) the Food Law and Health and Safety Enforcement Service Plan 2020/21; and
- (2) the authorisation for the Service Lead - Environmental Health and Community Safety to change the plan in the light of national guidance and/or to meet operational needs.

88 **FINANCIAL ASSISTANCE POLICY FOR THE BETTER CARE FUND**

The Executive received the report on the Better Care Fund, which was a joint programme between the Council and the NHS to share health and care services. The Council had a statutory responsibility to allocate Better Care Fund resources, which are allocated to Districts through the Upper Tier Social Care Authority (Devon County Council), including financial assistance to eligible residents. The policy requires regular review to ensure that the available assistance is appropriate and to target resources to ensure that vulnerable individuals had access to support when it is needed.

Members welcomed the following within the updated policy:-

- the streamlining of the process for stair-lift grants and the removal of the means testing following a successful pilot which had led to the doubling of the number of stair-lifts installed in the last 12 months;
- the widening of the type of assistance available to tackle delayed hospital discharges; and

- the range of Warm Home Grants provided to those in greatest need which support the Council's desire to promote the use of renewable energy and energy efficiency.

RESOLVED that the Executive supports the adoption of the revised Financial Assistance Policy for the Better Care Fund; and

RECOMMENDED that Council adopt the revised Financial Assistance Policy for the Better Care Fund.
