Dear Roger,

Thank you for your email received today advising us that you will make sure that our petition is considered by the Council following the usual protocols.

Further to our emails regarding the issue of conversion of single-occupancy properties into HMOs in Sylvan Road, Moorview Close and Sylvan Avenue, please find enclosed a petition containing 48 signatures of residents in these roads. The petition requests that Article 4 restrictions (currently applied to other roads in the neighbourhood) be extended to cover the rest of Sylvan Road, Moorview Close and Sylvan Avenue.

Please advise us if any other information is required and if a meeting with Council officers would be an appropriate way to discuss the issues involved.

Many thanks.

Yours sincerely,
