NOTE: This form includes a section to confirm successful mediation between Responsible Authorities and the applicant. This includes the agreement of conditions.

1. Your details

Responsible Authority:	Environmental Health & Community Safety, Exeter City Council
Your Name:	Simon Ruddy
Job Title:	Principal Environmental Health Officer
Postal address:	Civic Centre, Paris Street, Exeter EX1 1RQ
Email address:	[REDACTED]
Contact telephone number:	[REDACTED]

2. Premises details

Name of the premises you are making a representation about:	Heavitree and Wonford United Services Club
Name of the applicant:	
Address of the premises you are making a representation about:	104 Wonford Street, Exeter

3. Representation information

Which of the four licensing objectives does your representation relate to?	Yes Or No	Please detail the reason(s) for your representation, including any relevant evidence. This <u>MUST</u> include a clear statement as to why the representation is considered appropriate and necessary. Please use separate sheets if necessary.
To prevent crime and disorder	No	
Public safety	No	
To prevent public nuisance	Yes	Complaints made to Environmental Health & Community Safety by local residents re. noise from amplified music at the Club and anti-social behavior from patrons outside the premises. Please see my supporting statement for further details.
To protect children from harm	No	

4. Additional information and mediation

Do you have any suggested conditions or alterations to the application that would remedy your representation? If so, please list them clearly. Please use separate sheets if necessary.	Club's windows and doors to remain closed when amplified music is played at the premises. Restrictions on the number of persons outside the club, particularly later in the evening (say after 21:00)	
If the applicant agrees to the amendments you have set out in the box above, would you be willing to withdraw your representation?	Yes	No
If you agree to withdraw your representation, do you also agree that there is no need for a hearing?	Yes	No
If you are unwilling to withdraw your representation, please detail the reasons for this. This information will be provided to the licensing sub-committee in advance of a hearing.	I have dealt with seven separate residents' complaints regarding these matters. I rather suspect that the local residents who have called for the review will be able to provide a much more detailed, first-hand account of the alleged public nuisance and its effect on their lives than I and still feel that a hearing should go ahead so their evidence can be considered by the Committee. I've requested, twice by letter and twice by telephone, that a responsible person from the Club contacts me to discuss this matter but have had no response.	
Any additional information?	Supporting statement and exhibits (SR/1 to SR/10) summarizes my involvement with complaints of alleged noise and anti-social behavior from the Club, April onwards.
