<i>Licensing Objective</i>	<i>Yes Or No</i>	<i>Please detail the evidence supporting your representation or the reason for your representation. Please use separate sheets if necessary</i>
To prevent crime and disorder		
Public safety		
To prevent public nuisance	NO	My objection is on the basis of the noise pollution that will be heard by those living in close proximity of the club, of which I am one. With the club located next to Digby housing estate, Bishops Court housing estate and Newcourt housing estate, the potential of weekday and weekend late night outdoor noise nuisance from mass attendee events at the stadium, and in particular the noise of music being carried through the air, should not be enforced on the thousands of residents currently living there and affecting their mental health.
To protect children from harm		

If you are making a representation against a new application or full variation, please suggest any conditions that could be added to the licence to remedy your representation (or other suggestions you would like	Limit the noise level in decibels. Limit on the number of outdoor events per year. Reduce the time outdoor music, loud speakers, etc are allowed to be used into the evening e.g. 8pm instead of 11pm
