**Your representation must relate to one of the four Licensing Objectives**

<b>Licensing Objective</b>	<b>Yes Or No</b>	<b>Please detail the evidence supporting your representation or the reason for your representation. Please use separate sheets if necessary</b>
<b>To prevent crime and disorder</b>		
<b>Public safety</b>		
<b>To prevent public nuisance</b>	No	<p>Having lived in the area for over 15 years we have seen the ground capacity and noise grow since the success of the Exeter Chiefs RFC. We have not opposed any previous growth plans within the ECRFC set up</p> <p>To now agree to this application can only go to create more issues with noise and crowds for our once quite area.</p> <p>Clyst Road already has serious challenges on match days with random parking, drop offs of supporters and the difficulties with traffic at dispersal times. Couple this with the noise that will be generated from outdoor amplified music can only go to disturb our young family during the early evening. The timings requested in the application covers 7 days a week and runs from 10am to 11 pm. Again this will make living in the area very difficult for our area and our family.</p> <p>Finally there will further intrusion with the use of the exterior floodlights and general lighting at the ground which already shines into our home during match day, but do get turned off before our children are trying to sleep.</p> <p>I really hope on this occasion the licence office will see sense and refuse the application.</p> <p>I look forward to hearing from you and do expect to kept</p>

		informed of developments now I have written with my objection.
<b>To protect children from harm</b>		

<b>If you are making a representation against a new application or full variation, please suggest any conditions that could be added to the licence to remedy your representation (or other suggestions you would like the Licensing Sub Committee to take into account).</b>	Timing of event to finish by 8.00pm. No post event bars to be open The tall lights in the ground to be turned off to stop light pollution Must not include festivals that run over a number of days.
