Proposal:	We lived in a conservation area and we just want to maintain the natural beauty of our garden. We have applied for previous permission and been granted council permission to trim trees within our garden a laurel (1) and cherry blossom (2). We have got a tree surgeon in for advice and we would like to de-ivy and maintain our sycamore tree (3). It is an old tree therefore the tree surgeon recommended de-ivying and trimmed 2-3 branches one of which is blocking the sunlight into our garden. It is at the back of our garden and we have contacted the local primary school st thomas to discuss these works.
