

Ref the below. It is a wonderful plan. I fully support this license application.

Safer venue for such people to enjoy themselves. The venue is well suited for this and is largely away from residential properties.

Thanks

Hi,

I am writing to show my support for the proposed new venue upstairs in the monkey suit.

I am local to Exeter and have been going to the monkey suit for many years. They are always so welcoming and have used the functions rooms upstairs for big occasions.

I feel the new proposed licence will not only ensure the monkey suit stays open but also help with Exeter's poor night life options for gay men and women. As a gay man I feel we really do not have any options as vaults is much more of a straight venue these days and doesn't feel safe.

What is being proposed will allow for a safe late-night place where LGBT Community can go and have fun. The owner is a lovely kind welcoming guy and feel like this would be a great fit for Exeter.

Many thanks
