

APPENDIX C

Redacted

Exeter City Council – Licensing Act 2003

REPRESENTATION FORM

This representation is made about the premises to be licensed as detailed below:

Your full name	[REDACTED]
The name of the organisation / body you represent (if appropriate)	—
Postal address	[REDACTED]
Email address	[REDACTED]
Contact telephone number	[REDACTED]

Name of the premises you are making a representation about	Quay Distillery
Address of the premises you are making a representation about	60A Haven Road Exeter

Your representation must relate to one of the four Licensing Objectives

Licensing Objective	Yes Or No	Please detail the evidence supporting your representation or the reason for your representation. Please use separate sheets if necessary
To prevent crime and disorder	NO	
Public safety	Yes	moving pontoons, alcohol, fine pits + people will not go well together.
To prevent public nuisance	Yes	Having this amount of drunk people in such close proximity to residential properties is too much. The noise already reaches high levels. I have anon going complaint with environmental health. The music is played at very loud levels at the premises and is very rarely switched off at 11.
To protect children from harm	Yes	There is already a high volume of people that stand outside these premises at night directly below mine + my sons bedroom window. The yelling, smoking swearing. I have also listened to conversations about drugs being taken whilst at the premises.

If you are making a representation against a new application or full variation, please suggest any conditions that could be added to the licence to remedy your representation (or other suggestions you would like the Licensing Sub Committee to take into account).

To prevent Public nuisance continued:

adding more people outside will only exacerbate the ongoing problems. This premises was originally opened as a restaurant + distillery serving Tapas and is now just an events venue and do wonder if permission would have been granted had this property was used for local events from the start. The owner (George) is very often not present at these events after 9/10 pm so is not overseeing the behaviour in and out of the venue. People are allowed to remain inside the venue until sometimes 2am drinking and so when leaving drunk are shouting and swearing this can only get worse adding more people outside. my son is 16 and is constantly woken up by people standing outside smoking + talking loudly below his bedroom window this has affected him in the past when having to get up for school the next day.

PTO

This again can only get worse adding more people outside all day drinking.

The pontoon is not even up and running yet and last night (17/05/24) I was not surprised to see police had been called to Quay distillery as it had attracted 2 young boys over to jump off of it into the water. A silent disco event was being held at the venue and everyone had been allowed to dance around outside they then started to jump on to the pontoon which is very unsafe. A man then fell down the high step on to the pontoon he was luckily unhurt.

A 7 day alcohol license from 9am-11pm on a pontoon on water will not add anything positive to this part of the canal, it will only cause more of a nuisance.

To protect children from harm cont-

This is obviously not acceptable and don't want my son subjected to any more of this. There is also a very young child in the flats and he has been woken numerous times by the noise from Quay dist. item which has caused his mother to enter the venue to plead with them to turn it down! Can you imagine what this noise will be like outside.
