Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

1. Community Engagement: Regularly engage with the local community to understand their concerns and gather feedback on how the establishment can contribute positively to the neighborhood.
2. Staff Training: Ensure that all staff members receive thorough training on the importance of adhering to licensing regulations and how their actions can contribute to promoting the licensing objectives.
3. Collaborate with Authorities: Work closely with local law enforcement, fire departments, and health inspectors to ensure that the establishment operates in a manner that promotes the licensing objectives.
4. Implement a Policies and Procedures handbook for staff: Develop and implement robust policies and procedures aimed at preventing crime and disorder, ensuring public safety, preventing public nuisance, and protecting children from harm within the establishment.
5. Monitor and Evaluate: Regularly monitor the premises to identify any potential issues or breaches of licensing objectives. Conduct periodic evaluations to assess the effectiveness of implemented measures and make necessary adjustments.
6. ADT security system is being put in place with 2 panic devices when triggered the police are called.

b) The prevention of crime and disorder

A CCTV system of an evidential standard must be installed to the satisfaction of the Police, and the system to be in operation at all times the premises are open to the public. All recordings from that system must be kept for a period of 31 days and the police to have access to recordings at any reasonable time.

The premises shall install, operate and maintain a digital colour CCTV system to the satisfaction of the Police and Local Authority. As a minimum, the system must:

- i. Cover all public areas of the licensed premises, including entry and exit points. This also includes any outside areas under the control of the premises licence holder. (The location of cameras can also be specified on the plan attached to the premises licence).
- ii. Record clear images permitting the identification of individuals and in particular enable facial recognition images (a clear head and shoulder image) of every person entering and leaving in any light condition.
- iii. Continually record whilst the premises are open for licensable activities and during all times when customers remain on

Continued from previous page...

the premises.

iv. Have a constant and accurate time and date generation.

v. Store recordings for a minimum period of 14 days with date and time stamping.

vi. Viewable copies of recordings will be provided on request to the police and local authority officers as soon as is reasonably practicable and in accordance with the Data Protection Act 1998

vii. The CCTV system will be capable of downloading images to a recognisable viewable format.

viii. The CCTV system will capture a minimum of 4 frames per second.

ix. The CCTV system will be fitted with security functions to ensure the integrity of the system and to prevent the tampering with and deletion of images (i.e. password protection).

All staff engaged in licensable activity at the premises will receive training and information in relation to the following::

i. The Challenge 25 scheme in operation at the premises, including the forms of identification that are acceptable.

ii. The hours and activities permitted by the premises licence issued under the Licensing Act 2003 and conditions attached to the licence.

iii. How to complete and maintain the refusal register in operation at the premises (in relation to the sale of alcohol).

The premises shall install, operate and maintain a comprehensive digital colour CCTV system to the satisfaction of the Police.

iv. How to identify signs of intoxication and prevent the sale of alcohol to individuals who are already intoxicated.

A notice displaying that CCTV is in use will be clearly displayed at the entrance.

c) Public safety

The collection of glasses and bottles shall be undertaken at regular intervals to ensure there is no build-up of empties in and around the premises.

Conduct regular safety inspections and maintenance checks on equipment and facilities including a fire safety check by an accredited fire safety firm and electrical PAT testing along with a general electrical check by a certified electrician.

Install CO2 and chemical fire extinguishers at strategic locations within the premises to quickly respond to fire emergencies.

Place first aid kits by the bar and kitchen areas, alongside fire blankets, to facilitate immediate response to medical emergencies and small fires.

d) The prevention of public nuisance

Clear and legible notices shall be prominently displayed at all exits requesting patrons to respect the needs of local residents and businesses and to leave the vicinity as quickly and quietly as possible.

No speakers for amplification of music shall be placed on the outside of the premises or on the outside of any building forming a part of the premises.

No deliveries (in relation to licensable activities) to the premises shall take place between 19:00 hours and 07:00 hours.

e) The protection of children from harm

There will be in place a written age verification policy in relation to the sale or supply of alcohol, which will specify a Challenge 25 proof of age requirement. This means that staff working at the premises must ask individuals who appear to be under 25 years of age, attempting to purchase alcohol, to produce identification. The only acceptable identification documents will be:

- A photo driving licence

- A passport

- An identification card carrying the PASS hologram

Unless such identification is produced the sale of alcohol must be refused. This policy will include documented steps taken to prevent adults from purchasing alcohol for or on behalf of children under 18.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.

 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
