Subject: Scrutiny Submission via Standing Order 18

Dear Mark,

I wish the Customer Focus Scrutiny Committee at its meeting on the 3rd October 2024 to consider conducting a scrutiny regarding the work of Citizens Advice in Exeter and how the Exeter City Council can support its ongoing work and activities.

I would also request under Standing Order 44 to attend the meeting and speak to this proposal as SO 45 only relates to motions not Scrutiny proposals.

I will also submit a Scrutiny Pro Forma on this matter in advance of the meeting but the Proforma submission should not over ride the consideration of this matter under SO18.

Kind regards,

Michael
